CHILDREN & YOUTH

2015
20%
 of Sunday Attendance

2016
25%
 of Sunday Attendance

PASTORAL RESIDENCY

In 2017 we are launching a new church-planting residency; and we are excited to welcome our first resident in May.

The residency's purpose will be to prepare men in the context of the established Church to plant the future Church.

Meet Tory Arnesen

Tory grew up in Princeton, NJ and attended Messiah College where he majored in Criminal Justice. He has recently graduated from Liberty University's School of Divinity. Tory has also served as an interim pastor at Bunker Hill Church in Princeton. Tory is passionate about knowing the Lord and making Him known. His prayer is that the Lord will enable him to faithfully pastor in the Northeast; we are excited to have him joining us as Terra Nova's first Church Planting Resident in May 2017.

PLACE

North Adams, Ma

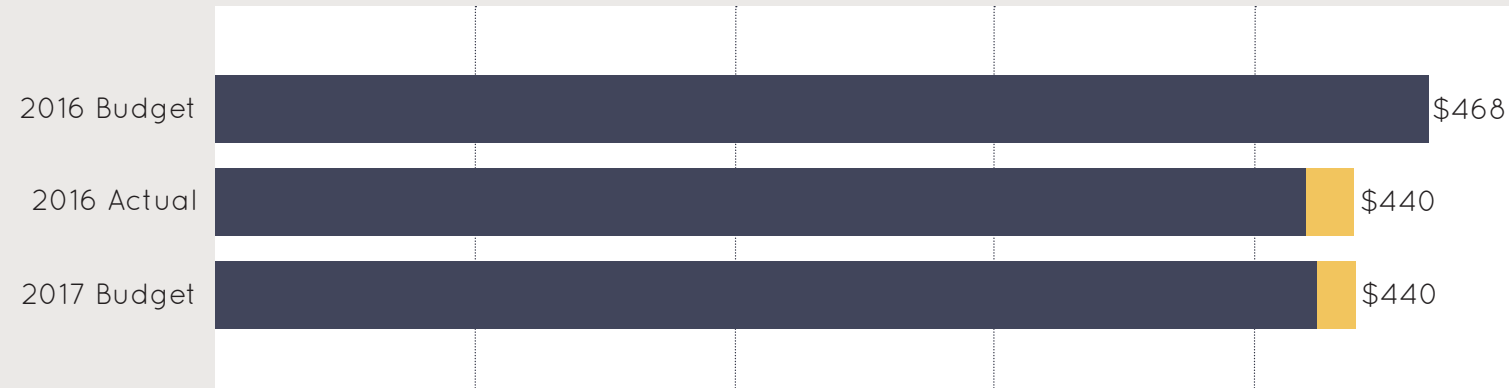

In 2015 we planted a Tribe in the Northern Berkshires with 10 people. In 2016 that Tribe multiplied to two and we began the work of gathering people and raising support to plant our third church in North Adams, MA. Now approximately 40 people call Terra Nova North Adams home; and we are excited to see what God will do as we hope to publicly launch in the fall of 2017.

CHURCH PLANTING

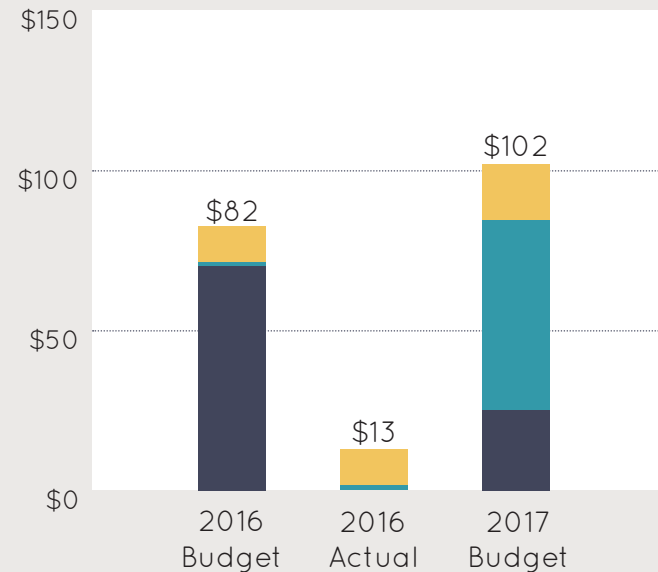

TERRA OPERATIONS

SHARE

The local church shares with the other churches within the Network.

SERVE

The Network serves the local church so they can be on mission more effectively.

SEND

Together, we send out church plants to take new ground for the Kingdom.

TERRA

NOVA

Ground
Earth

New
Fresh

The name is meant to serve as a constant reminder that our future is unwritten, but that we desire to remain following the Lord as we plant churches for the next generation. Personally and together we will follow Him into fresh ground or new earth, Terra Nova.

Please join us on this journey
